1. Any member of the public and any U.S. EPA personnel; and
2. Any member of the public and Lisa Jackson, the prior Administrator of the U.S. EPA, including "Richard Windsor" and any other alter egos or aliases of Administrator Jackson.

This information would include but not be limited to all letters, email (both official accounts and personal accounts used for official business), and any notes, records, reports, summaries or memoranda taken during or prepared after communications with members of the public relating to the Site.

I request that you expedite this request. Please advise me if the cost to copy and produce this material exceeds \$250 prior to producing the documents. If you have any questions, I may be reached at (212) 906-1799 or by email at davon.collins@lw.com. Thank you for your cooperation in this matter.
